ATN – WINS MORE LICENCES

ATN – Asian Television Network International Limited, is pleased to announce that it has received approval from the CRTC for eight more category II digital television licences to better serve the South Asian community across Canada.

The new channels will bring more diversified programming in Hindi, Urdu, Tamil, Bengali and Malayalam languages.

The new channels will also compliment the existing five channels of ATN, which has programming alliances with leading international broadcasters such as: Zee TV, Sony Entertainment Television, B4U (Bollywood for You), Alpha Punjabi, Jaya TV and ARY Digital.
